

NOTICE

Students of FY B.Com are hereby informed that the Business Communication Paper of Semester II is a practical paper and accordingly, students have to compulsorily complete all components.

The ISA marks shall NOT be scaled up for this paper as is being done for other papers, since for this subject, every component is a practical component, and must compulsorily be assessed.

The result for this paper will be calculated as follows

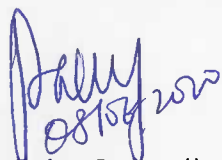

ISA-1	___/10
ISA-2	___/10
DST	___/55
SMC	___/25
Total	___/100

Students may kindly note that one component namely, Meetings, of 20 marks, could not be completed in Class, since classes were suspended. This topic will therefore not be assessed, and the marks for this have been distributed proportionately over DST and SMC.

Students may please note that for Semester II, 2020, a student who is **Absent** for any component will be assigned ZERO marks for that component

The **last date** to complete all the components of SEE is **11.00 am on 10th June 2020**, failing which students will be assigned ZERO marks for the component that is not completed, and the result will be calculated accordingly. Students who fail, will then answer the Supplementary examination scheduled to be held in July 2020.

The list of students who have not completed all 4 components is attached. These defaulters may please contact the teacher – Asst. Professor Ms. Samiksha Vengurlekar, at the earliest. Kindly note that no further extensions will be permitted, since the teacher has repeatedly contacted all these defaulters, asking them to complete the components.
