It's not a lonely struggle of a person who suffers from autism, but a joint journey of friends and family who believed in Eashan Kamat, who achieved his goal of obtaining BCA degree with flying colours, a[illegible] began chasing the dream of becoming a web designer

The Kamats: Vedang, Eashan, Maya and Mangesh

ONWARD DESPITE ODDS

BHARATI PAWASKAR

There is always light at the end of the tunnel and this is proved over time and again by many torch bearers who walked the path that seemed dark and gloomy in the beginning but as th[illegible] marched ahead, the torch that th[illegible]rried in their hand spread light for those who followed behind them. As young parents of their first born son Eashan, for Maya and Mangesh Kamat, the journey was never easy because raising an autistic child itself was a big challenge. But the smile of hope on their face never faded and the determination in their heart never diminished. Thus, it is due to the joint efforts of all that 23-year-old Eashan could obtain his Bachelor in Computer Application (BCA) degree recently with flying colours. 'Thank you' is a small word, feel the Kamats who wish to remain in debt forever, of all those who walked beside their son in this journey.

Eashan received 'A' grade in BCA (VI) which is a three-year course that began in 2016 and ended this June. No sooner that his marks arrived, he could take up a job with an NGO in Goa that has been working towards mental health for the past two decades. This tall, handsome youth, brimming with confidence, never seems to tire of talking about web-designing, and wants to establish a start-up of his own after gaining some hands on experience at his job.

"We wanted to keep Eashan engaged, so we approached Sangath and luckily they accommodated him, offering a part-time job of data-entry, which he has started enjoying," shares Eashan's mother Maya Kamat, an engineer with the Public Works Department (PWD) in Goa government.

"The journey throughout our son's academic years was, indeed, difficult, but not impossible," states Mangesh, an architect. It was because of his flexible work timings that he could pick and drop Eashan to school, college or classes. Now, he drops and picks up Eshan from the latter's workplace. Eashan's learning began when he was three. A hyper kid and not very verbal, Eashan could not write. But by the time he turned four his parents realised that Eashan had tremendous interest in computer which he finds easy to learn. Eashan's younger brother Vedang had to be his elder brother and walk besides him, taking care of his everyday needs and being his voice.

Eashan's schools, Manovikas, and St Thomas High School (Cansaulim) were instrumental in shaping his formative years. He opted for computer technology while studying at RMS Higher Secondary, Margao. He cleared the entrance exam for BCA like any regular student and was admitted at Damodar College of Commerce and Economics, where the principal Dr Prita Mallya welcomed him with open arms. The entire college management was cooperative. However, Eashan needed some guidance in technical subjects which was provided by Mitendra Alve, proprietor and instructor at Diksha Computer Education, Margao.

How difficult was it for an instructor to handle or teach a student with autism? Mitendra elaborates. "When Eashan's parents approached and told me about him, I thought that it would be challenging to teach this boy when he sits with a batch of normal students. But to my surprise, on day one Eashan he stood silently in the class and the first words he uttered were 'Angel Place.' I could read his heart. He must have received some positive vibrations in my class. This boy would surely make it, I told myself."

That was in 2016. "Eashan came to learn syllabus oriented programming languages like C, php, database, c# etc. He knew nothing of programming then but was inquisitive and keen to learn. Gradually he started picking up, and applying his own logic. When he did not understand certain things or did not arrive at desired results, he used to get hyper. Indeed, Eashan's world was different, but other students were cooperative. We enjoyed Eashan's company," recalls Mitendra. Eashan was was also blessed with a kind-hearted friend, Navnee[illegible] who proved to be a link betw[illegible] college and Eashan as the la[illegible] not communicate.

"While teaching, I used to [illegible] my conversation so that Eas[illegible] could hear my voice again at[illegible] The third year seemed crucia[illegible] the papers were set by the b[illegible] and none had an idea how t[illegible] would be. I could see the an[illegible] pressure building up in him [illegible] preparing for his final exams[illegible] seemed confident", shares M[illegible] whose challenges are not ov[illegible]

The Board of Examination [illegible] Goa University helped with l[illegible] papers, set open ended que[illegible] and gave extra time to write. [illegible] credit, Eashan did not take a[illegible] for BCA and wrote his own p[illegible] the exam. Eashan's list of gu[illegible] angels is unending. With the[illegible] taboos that one has to face [illegible] raising a child with autism, it[illegible] enough to just accept the dis[illegible]

It's a constant battle. "I wa[illegible] Web Designing," expresses E[illegible] who is excited to utilise his c[illegible] skills. Bigger challenges awa[illegible] the Kamats have a social me[illegible] share,

"Have faith in your child, w[illegible] er limitations they may have. [illegible] consider it to be a disaster. D[illegible] feel guilty or ashamed. Acce[illegible] limitation, work to beat it an[illegible] a winner."

चित्रकला हा ईशानचा छंद, स्वत: रेखाटलेल्या सुंदर कलाकृतीसोबत ईशान.

'ऑटिझम'वर मात करून इशानची भरारी

पालकांना आपले मुल आरोग्याने सुदृढ असावे, इतर गोष्टीत ते हुशार-निपूण असावे अशी जबरदस्त इच्छा असते. पण, काही वेळा मुलांना आरोग्याच्या समस्या निर्माण होतात. अशा वेळी पालकांच्या पायाखालची वाळू घसरते. आपल्या मुलाचे पुढे काय होईल अशी सततची चिंता त्यांना लागून राहते. मात्र, जबर इच्छा शक्तीच्या जोरावर यावर मात करता येते व त्याचे मूर्तीमंत उदाहरण म्हणून घोंगळ-मडगाव येथील इशान मंगेश कामत या युवकाकडे पहावे लागेल.

महेश कोनेकर, मडगाव

इशानला जन्मत:च 'ऑटिझम' अर्थात 'स्वयंमग्नता' या आजाराची बाधा झालेली. ऑटिझम झालेली मुले इतर मुलांच्या तुलनेत बरीच वेगळी असतात. या मुलात शारीरिकदृष्ट्या काहीच वैगुण्य नसते, पण बोलणे कमी, एकटेच राहणे, शून्यात नजर लावून बसणे, चिडचिड करणे, उगीचच रडणे ही लक्षणे आढळतात. ऑटिझम बालकात शारीरिक व्यंग नसल्याने या मुलांच्या बोलण्या-वागण्यातूनच पालकांना या आजाराची लक्षणे ओळखावी लागतात. त्यामुळे अनेकदा आजार उशिरा लक्षात येतो आणि

तेव्हा नाइलाजाने आपल्या मुलांना मतिमंद बालकांच्या शाळेत दाखल करावे लागते. पण, इशानची मम्मी माया कामत यांना, जेव्हा या आजाराची कल्पना आली, तेव्हा तिने खचून न जाता, जिद्द व चिकाटीने ऑटिझमला सामोरे जाण्याची तयारी दाखविली. त्यासाठी 'ऑटिझम'वर प्रचंड वाचन केले. ऑटिझमचा सामना कसा करावा, आपल्या मुलाला कसं घडवावं यावर तिने भर दिला. इशानसाठी जेवढे कष्ट घ्यावे लागतील, त्याची मानसिक तयारी केली. शेवटी या संघर्षाचे, कष्टाचे व परिश्रमाचे फळ इशानने 'बीसीए'ची परीक्षा द्वितीय वर्गात उत्तीर्ण होऊन दिले. बीसीएचा अभ्यासक्रम द्वितीय वर्गात पूर्ण केलेला इशानला स्व:तच्या पायावर उभा

राहण्याची इच्छा आहे. त्यासाठी तो उत्तम नोकरी मिळवून चांगली कमाई करण्याचे स्वप्न तो पहातो. त्याची अनेक स्वप्ने आहेत. त्या स्वप्नांच्या पूर्तीसाठी नोकरीची गरज आहे. ऑटिझम झालेल्या व शिक्षणात यश मिळविलेल्या मुलांना नोकरीत प्राधान्य मिळायला पाहिजे अशी इच्छा त्याच्या मम्मीने व्यक्त केली.

आज इशानला संगणकाचे जबरदस्त ज्ञान प्राप्त झाले आहे. तो विविध प्रकारच्या 'वेबसाईट डिझाईन'' करू शकतो. अनेक कंपन्यांना व व्यावसायिकांना वेबसाईट खुपच महत्त्वाची ठरत असते.

'कौन बनेगा करोडपती'चे वेध

सुपरस्टार अमिताभ बच्चनच्या 'कौन बनेगा करोडपती''चे वेध इशानला लागले आहेत. या स्पर्धेत सहभागी होतानाच करोडपती बनण्याचे स्वप्न तो पहातो. या स्पर्धेत उतरण्यासाठी जबरदस्त तयारी करावी लागते. एकही उत्तर चुकता कामा नये याची कल्पना त्याला असून जर आपल्याला संधी मिळाली तर नक्कीच त्याचे सोने करू असा आत्मविश्वासही तो व्यक्त करतो. करोडपती झालास तर त्या पैशांचे काय करणार असा सवाल जेव्हा उपस्थित केला, त्यावेळी घरात आवश्यक गोष्टी आणतानाच आलिशान कार खरेदी करणे हे आपले स्वप्न असल्याचे तो सांगतो.

मार्गात अनेक अडथळे पण...

ईशानच्या मार्गात अनेक अडथळे उभे राहिले. खास करून शालेय जीवनात. पण, त्याची मम्मी भक्कमपणे त्यांच्या मागे उभी राहिली. त्यामुळेच त्याला हे अडथळे पार करता आले. ईशानचा शैक्षणिक प्रवास कोकणी भाषा मंडळाच्या शाळेतून झाला. केजी ते चौथीपर्यंतचे शिक्षण त्याने कोकणी शाळेतून घेतले. ईशान हा इतर मुलांकडून वेगळा असल्याने पाचवीच्या वर्गात त्याला प्रवेश नाकारण्यात आला. त्याच्या मम्मीने शाळा व्यवस्थापनाकडे पाचवीच्या वर्गात प्रवेश मिळावा यासाठी विनंती केली. पण, ती नाकारण्यात आली.

इयत्ता चौथीनंतर पुढे प्रवेश कसा मिळणार या विवंचनेत असताना, मनोविकास हायस्कूलमध्ये त्याला पाचवीच्या वर्गात प्रवेश मिळाला. शाळा व्यवस्थापनाकडे बोलणी करून ईशानच्या समस्या व गरजा यांची कल्पना देण्यात आली. व्यवस्थापनाने पूर्ण सहकार्य करण्याचे आश्वासन दिले व पाचवी नंतरच्या शिक्षणाचा मार्ग खुला झाला. पाचवी ते नववीपर्यंतचे शिक्षण मनोविकासमध्ये झाले. यासाठी हायस्कूलने त्याच्यावर देखरेख ठेवण्यासाठी खास व्यक्तीची नियुक्ती केली. मनोविकास दिल्ली बोर्डशी संलग्न असल्याने, इयत्ता दहावीचा अभ्यास हाताळणे ईशानला कठीण जाईल का अशी एक भीती होती. त्यामुळे धोका न पत्करता गोवा बोर्डाशी संलग्न असलेल्या हायस्कूलात प्रवेश घेण्याचा निर्णय घेतला गेला. इयत्ता नववीनंतर एक वर्षाचा ब्रेक घेण्यात आला. त्यानंतर इयत्ता दहावीच्या प्रवेशासाठी प्रयत्न सुरू झाले. मडगाव परिसरातील हायस्कूलांनी ऑटिझममुळे त्याला प्रवेश देण्याची तयारी दर्शविली नाही. अशावेळी कासावली येथील सेंट थॉमस हायस्कूल त्याच्या मदतीला आले.

दहावीच्या परीक्षेत 'रायटर'ची मदत

दहावीची परीक्षा देणाऱ्या विशेष क्षमतेच्या विद्यार्थ्यांना गोवा बोर्डाचे परिपत्रक २९ आणि ५५ यांचा लाभ मिळतो. या परिपत्रकाप्रमाणे इशानला 'रायटर'' म्हणजे परीक्षेत पेपर लिहून देणाऱ्या व्यक्तीचा आधार मिळाला. माया नाईक या मुलीने रायटरची जबाबदारी व्यवस्थित हाताळली. ही मुलगी इयत्ता नववीच्या वर्गात शिकत होती. तिने सुद्धा या परीक्षेसाठी खुपच कष्ट घेतले होते. दहावीच्या परीक्षेत त्याला ७७.५ टक्के गुण मिळाले. मडगाव ते कासावली असा इशान बऱ्याचवेळा एकटाच बसमधून प्रवास करायचा. बसचे कंडक्टर व ड्रायव्हर देखील त्याला चांगली सेवा द्यायचे. बस थांबली की तो रस्ता ओलांडून हायस्कूलात जाईपर्यंत ते थांबायचे. आजही त्या कंडक्टर व ड्रायव्हरची नावे त्याला ठाऊक आहेत. दहावीनंतर अकरावीत प्रवेश घेण्यासाठी मडगावच्या आर. एम. एस. उच्च माध्यमिक विद्यालयाला भेट दिली. त्यावेळी प्राचार्य म्हणाले की, ऑटिझमच्या मुलांना आर. एन. एस. मध्ये प्रवेश दिला जातो. त्यासाठी बोर्डाकडून लेखी संपर्क साधून मान्यता घ्यावी लागते. ती घ्या व परत या. गोवा बोर्डच्या अध्यक्ष व सचिवाकडे संपर्क साधण्यात आला व त्यांनी पूर्ण सहकार्य देण्याचे आश्वासन दिले. इशानची आवड लक्षात घेऊन 'कंप्युटर टेकनिक्स'- हा व्यावसायिक अभ्यासक्रम त्याच्यासाठी निवडला परंतु अकरावीच्या परीक्षेसाठी त्याला रायटर मिळाला नाही. त्यामुळे इशानला स्वतःच पेपर लिहावे लागले. त्यासाठी अधिक वेळ लागला. त्याचबरोबर पेपरसुद्धा 'क्लोझ मेथड'प्रमाणे तयार करण्यात आले. त्यासाठी अनेकांनी समजूतदारपणा दाखवून मदत केली. बारावीच्या परीक्षेत गोवा बोर्डाने देखील आवश्यक सुविधा उलपब्ध करून देत सहकार्य केले.

बारावीनंतर दामोदर कॉलेजमध्ये बीसीएच्या अभ्यासक्रमांसाठी प्रवेश घेतला. हा अभ्यासक्रम पूर्ण करण्यासाठी कॉलेजच्या प्राचार्य डॉ. मल्ल्या, सर्व शिक्षक तसेच इशानचे वर्ग मित्र-मैत्रिणी यांचे बहुमोल सहकार्य लाभले. एकच शिक्षिका अपवाद राहिल्या. ईशानला सहकार्य न करण्याचे धोरण त्यांनी आत्मसात केले होते. इशानला कॉलेजमधून काढावे इथपर्यंत मजल गेली. मात्र, इशानच्या मम्मीने जिद्द सोडली नव्हती. तिने प्राचार्यांकडे बोलणी करून तोडगा काढण्याची धडपड सुरू केली. मिलिंद आळवे हे त्यांच्या मदतीला आले. त्यांचे सहकार्य व मार्गदर्शन लाभले. इशानला अभ्यासक्रम व 'असाइन्मन्ट' चुकणार नाही याची दखल मम्मीने घेतली. इशानचा वर्ग एक वर्ग मित्र 'आऊट ऑफ बॉक्स' जाऊन मदत करू लागला तर अभ्यासक्रमातील कंप्युटरचे तांत्रिक विषयात मिलिंद आळवे मार्गदर्शन करू लागले.

इशानला चित्रकलेची आवड

इशानला चित्रकलेची आवड असल्याचे त्याच्या मम्मीने हेरले व त्याला चित्रकलेचे धडे दिले. आज तो दर्जेदार चित्रे रेखाटतो. फेसबुकच्या माध्यमातून ऑनलाईन त्याची विक्री देखील केली जाते. त्याला सतत व्यस्त ठेवण्यात येते. त्याला कामाची आवड आहे हे कॉलेजातील उपक्रमातून सिद्ध झाले आहे. मोकळा वेळ असला की तो चित्रात रंगून जातो. अनेक अडथळे इशानच्या मार्गात उभे राहिले परंतु त्यावर मात करीत इशानने बीसीएचा अभ्यासक्रम द्वितीय वर्गात पूर्ण केला. आज नोकरी हे त्याचे टार्गेट आहे. त्यासाठी तो प्रयत्नरत आहे.

Vidya Vikas Mandal celebrates 48 years

NT KURIOCITY

Vidya Vikas Mandal (VVM), Margao celebrated its 48th Founders' Day. The Mandal was registered on August 1, 1971 to venerate the death anniversary of educationist and freedom fighter, Lokmanya Bal Gangadhar Tilak. The celebrations were organised by VVM's Shree Damodar College of Commerce and Economics, Margao.

Chief guest for the function was director, Mapro Foods, Mayur Vora who is an alumnus of Fergusson College Pune, IIM Bangalore and INSEAD.

The function commenced with an invocation song followed by the lighting of the traditional lamp by Vora, founder members and other dignitaries. In her welcome address, president, Vidya Vikas Mandal, Sheela Gaunekar spoke about the phenomenal growth of Vidya Vikas Mandal, which the founders had not foreseen; their only aim at that time was to set up a college for commerce in South Goa. The first vice president, Nitin Kunkolienker spoke about the institutions and their strengths and the plans outlined by the Mandal. He thanked the staff of the institutions for their contribution towards the institutions' progress.

There was a short presentation on the history of the institutions and their outstanding achievements in the past academic year.

On this auspicious day, five alumni of Vidya Vikas Mandal's institutions, namely, Sandesh Prabhudesai, Deepali Naik and Silvano Fernandes from Shree Damodar College of Commerce and Economics and advocate Carlos Alvares Ferreira and Ajit Panchwadkar from G R Kare College of Law, were felicitated for their remarkable achievements and contributions to society. Retired staff members, namely, Lydia Menon, Nirmala Gopinathan, Shilpa Mense and Satyavan Prabhu from Shree Damodar College of Commerce and Economics; Inacio Dias and Sandhya Pai Fondekar from G R Kare College of Law; Maithili Naik from Shree Damodar College of Commerce and Economics were also felicitated.

In his address, Vora congratulated the awardees and founder members, and stressed the need for imparting wider and relevant education so that students are prepared for the constantly changing scenarios in the job market. He said: "In such a scenario, it is important that students learn 'how to learn.' Not intelligence, but the lack of opportunities leads to untapped talents." He encouraged the audience to take part in social work for the betterment of humanity at large.

Seed balls making activity conducted

BBA(FS) student presents seed balls to vice principal Dr Rodney D'Silva.

MARGAO: The seed balls making activity was conducted for first year BBA (FS) students of Shree Damodar College of Commerce & Economics, Margao as an initiative towards greening the environment.

The objectives of this activity were to involve students in preparing seed balls and distribute them among the students, teaching and non-teaching staff and NSS volunteers and to create awareness about a better environment among the public, in an innovative manner.

Seventy students undergoing the environmental studies course, made 450 seed balls of different vegetable seeds such as okra, bitter gourd, pumpkin, muskmelon and ridge gourd.

The seed balls were made by mixing soil, compost and vegetable seeds. The students were instructed by the concerned teachers in class about the procedure of making the seed balls. After making the seed balls, they were kept to dry for 24 hours. Students made 450 cups from jackfruit leaves in which the seed balls were packed and labelled.

On August 15, seed balls were distributed to all the students as well as the teaching and non-teaching staff members of the college and other sister institutions.

DySP Sawant urges senior citizens to seek help of beat police whenever required

NT NETWORK
Margao

Telling the senior citizens living alone to interact with beat police in their respective areas, Deputy Superintendent of Police (DySP) Sunita Sawant urged the senior citizens to be cautious of criminal-minded elements while walking on the roads.

Sawant was speaking at the event 'Adharniya', organised by the Vaishya Legal Forum in association with International Vaish Federation, Goa, Ballancha Ekvor and Ravindra Bhavan, Margao.

The event, which was held to celebrate World Elders Day, was also attended by students of Damodar college.

The DySP exhorted the people to change their attitude towards the elders and went on to urge the senior citizens to register their complaints through the police's helpline number 1090.

"We, as a society, are responsible for the present situation our elders are facing like isolation. We need to change our attitude and learn to respect our elders so that when we get old, our children also treat us with respect. Senior citizens should make use of the helpline number 1090 in case of any problem. Call us, tell us your name and where you stay and the problem and we will send our vehicle to your residence to resolve the issue," she said.

DANA FERNANDES | NT

One of the dignitaries lighting the traditional lamp at the 'Adharniya' event held to commemorate the World Elders Day.

Under the Maintenance and Welfare of Parents and Senior Citizens Act 2007, Sawant said that beat police are involved in collecting data and visiting senior citizens, who are staying alone.

"As per the Maintenance Act, the police and their duties are mentioned in detail and we undertake the process of listing senior citizens with their mobile number, photo and next of kin," Sawant said.

She also urged senior citizens to follow the norm of tenant verification in case they have rooms rented out to people.

Senior citizens that go for walks in their neighbourhood were also urged to be cautious of suspicious criminal-minded people and to report about them to the police.

The guest speaker for the event, state head of the Help Age India foundation, Durgaprasad Pawaskar spoke of various government schemes for senior citizens, including the Deen Dayal Social Security Scheme.

Pawaskar also asked them to make their senior citizens cards.

He also drew attention to the increasing number of old age homes in the state, stating it was a worrying sign.

"Communication and isolation are the biggest problems being faced by elders in the state. In Goa, there are 1.80 lakh elders and 60 old age homes, 10 of which are run by the government. This number is very high and in every old age home there is an even longer waiting list. There are 30 to 35 inmates in each old age home," he said.
