Sub: Request for participation of students and teachers in SCIFFI 2022.

Dear Sir,

Vidnyan parishad Goa is organizing the 7th Edition of the Science Film Festival of India from 26th to 28th April 2022, at ESG Complex, Panaji Goa. The event will consist of screening of science film with scientist interaction, innovation exhibition, workshop on science filmmaking and teachers' workshop.

We invite your students and teachers to participate in the various events mentioned in the brochures attached below.

We believe, this is a unique opportunity for the students from Goa to keep their interest in science growing. We would feel accomplished if we are able to mediate such a chance for the eager students and teachers of Goa to imbibe the most out of the experience.

We hope to continue the good relation.

Thanking You,

Yours sincerely,
