

NOTICE

All students are hereby informed that the Special Ordinance that was in force during the pandemic has been withdrawn by Goa University. The regular Ordinances governing all programmes have now become applicable.

Accordingly, all students must compulsorily have a **minimum of 60% attendance in each subject and 75% attendance overall**, in order to be eligible for appearing for Semester-End Examinations

B.Com students may kindly note that if a student does not fulfil these eligibility conditions, the IAIMS / GUMS portal will not open and the student will not be able to register for Semester-End Examinations. The student will then have to take fresh admission to Semester VI during the next Academic year, and will lose one year.

The same rules will apply to students of all other programmes, even though they are not on the IAIMS campus management system

All students are advised to check their Attendance for January 2023, which has been displayed on the College website.

Students are advised to check their attendance regularly and ensure that they do not become defaulters.
