UNION BUDGET 2021-2022

BUDGET HIGHLIGHTS

HEALTH AND WELLBEING

"The pandemic has clearly exposed the state of the public healthcare system in the country and the pressing need for it to be revamped. The PM Atmanirbhar Swasth Bharat Yojana launched to improve healthcare along with the 137% increase in the total budget outlay towards the healthcare sector is a step in the right direction. However, the key lies in implementation."

- Dr. Christopher De Mello
Former Medical Officer,
Margao Urban Health Centre

"Disinvestment provides additional options for profit making only to few capitalists. The better option could have been imposing wealth tax on the small percentage of very rich individuals and capitalists. The high amount allocation to the infrastructure sector expecting it to have a multiplier effect and lead to higher demand and job creation is wishful thinking." - **Adv. Elton Furtado**

PHYSICAL AND FINANCIAL CAPITAL AND INFRASTRUCTURE

National Rail Plan

- Aims at developing adequate rail infrastructure by 2030 to cater to the projected traffic requirements up to 2050.
- The objective is to increase the modal share of rail in freight from the current level of 27% to 45%.

- PLI launched to create manufacturing global champions across 13 sectors with amount committed nearly ₹1.97 lakh crore in next 5 years starting FY2021-22.
- MITRA Scheme to create world class infrastructure for global champions in textile sector leading to creation of 7 textile parks over 3 years.
- 100% electrification of Broad Gauge Routes by 2023

"The govt. has smartly used the word disinvestment rather than privatisation of banks and insurance companies. Raising FDI in insurance from 49% to 74% is also a good move, creating competition in this sector and benefiting customers. This budget is growth oriented."

- Vidhyachal Pandey
Key Account Manager, Tata AIA Life Insurance Company

"Though the budget has highlighted the outcomes of past MSP procurements, it has deterred from announcing any new proposals with regard to expanding the existing scope of MSP by guaranteeing some specified quantity for procurement under it. The budget saw no mention of three agrarian reform laws that may lead to the collapse of the APMCs and weaken the system of government procurement at MSP rates, leaving small farmers at the mercy of corporate players indicating the insensitivity of the government to the demands of the farming community." - **Pashok Fernandes, Agriculturist**

INCLUSIVE DEVELOPMENT

Agriculture

- Extending coverage of SWAMITVA Scheme to all states/UTs
- Expansion of Operation Green scheme to include 22 perishable products
- 1000 more mandis to be integrated with e-NAM

Fisheries

- Development of modern fishing harbours and fish landing centres
- Multipurpose Seaweed Park to be set up in Tamil Nadu

HUMAN CAPITAL

Education

- Revamped Post Matric Scholarship Scheme for welfare of SCs
- 100 new Sainik schools
- 750 Eklavya schools in tribal areas

INNOVATION AND R&D

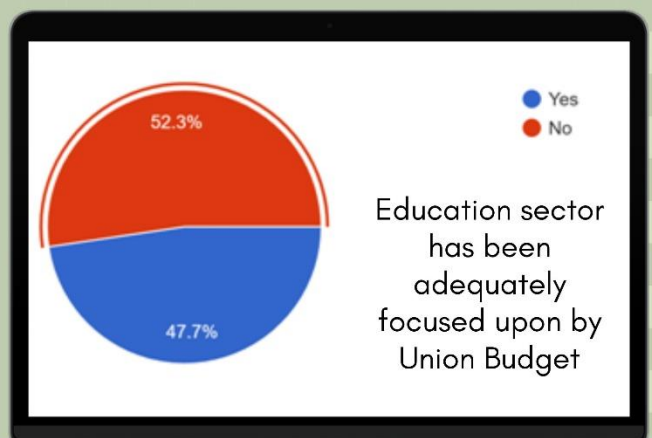

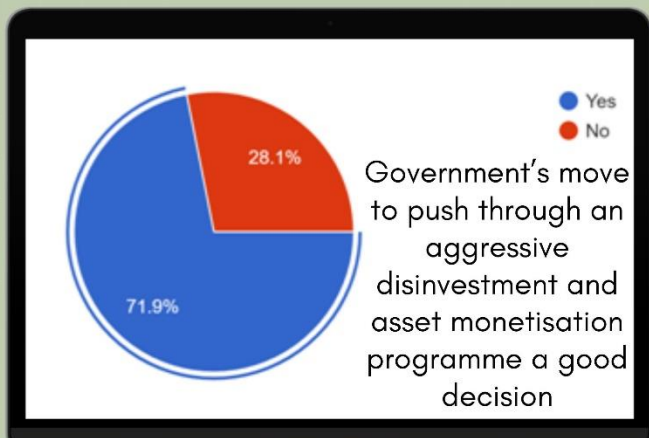

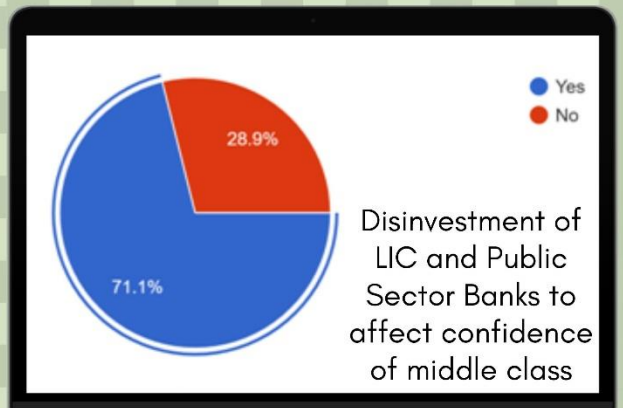

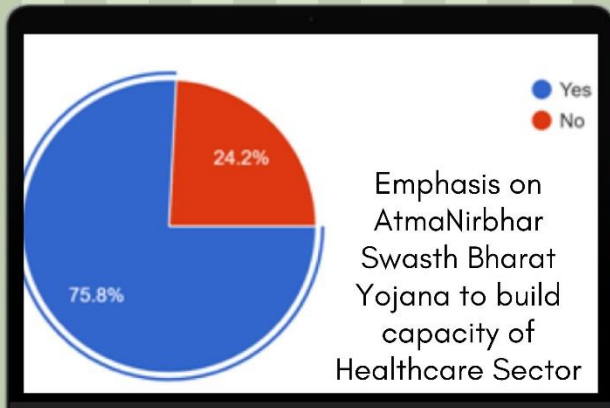

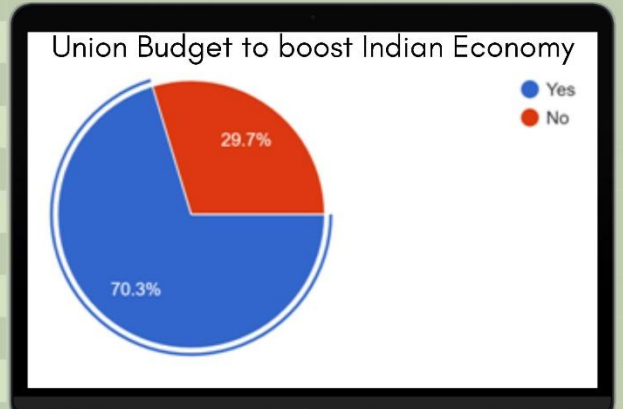

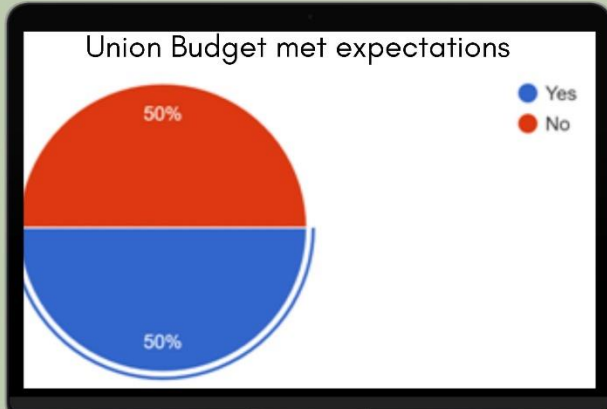

- National Research Foundation with outlay of ₹50,000 crore over 5 years
- National Language Translation Mission to boost internet access
- Deep Ocean Mission for ocean exploration and biodiversity conservation

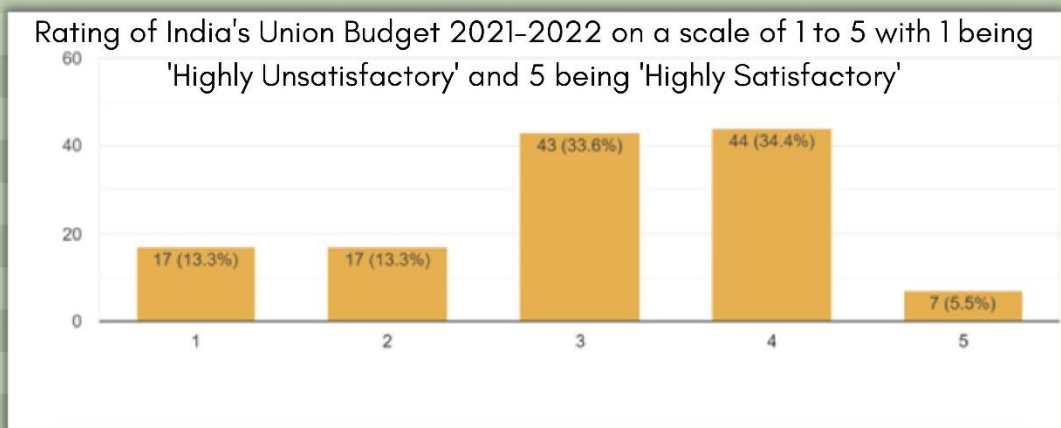

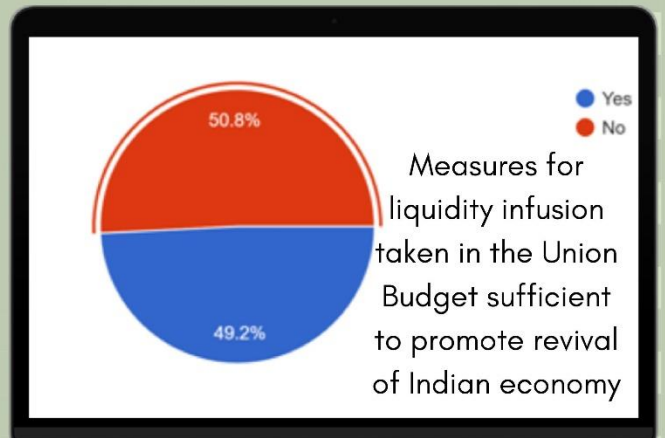

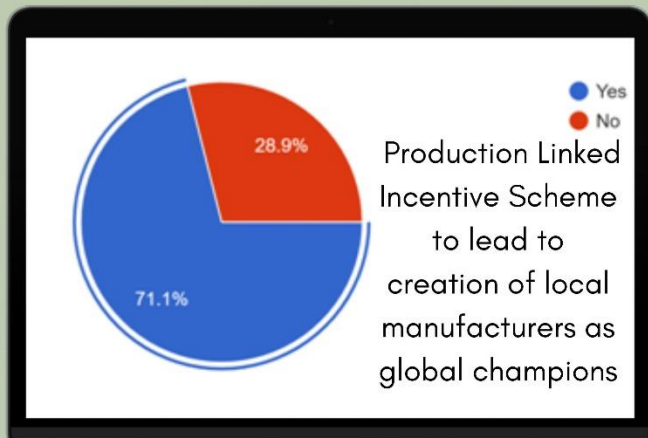

"Setting up of an umbrella body - the Higher Education Commission of India - will bring greater coordination in all the areas currently being looked after by individual bodies. Skilling is being taken to new heights with tie-ups with Japan and UAE in the offering for training, benchmarking and certification" -
