

Safety Protocols (SOP's) for Students Attending Offline Classes

1. Students should bring their own face masks, gloves, sanitizer and drinking water bottle when they come to the class.
2. Students must strictly follow guidelines on social distancing and use sanitizers.
3. The body temperature of students will be checked with non-contact thermometers before entering the College premises.
4. Students have to observe social distancing by maintaining a distance of at least 6 feet from each other when they are in the College Campus (as per Government of India COVID-19 Protocol).
5. In the Labs, students are advised to use only the system assigned to them for the day.
6. After completing the check for temperature and using the sanitizer at the entrance, the student has to proceed to the Classroom/Laboratory and not loiter in the corridor.
7. Students should not stand around in groups. After the Classes are over, the students should leave the campus immediately.
8. Students displaying COVID symptoms (body temperature above 99.4°F or 37.7°C) will not be permitted to attend classes/enter the College premises.
9. Students should compulsorily wear a suitable mask - fully covering the nose and mouth, at all times when on campus.
10. Students are required to sanitize their hands with soap/sanitizer before entering the Labs/Classrooms.
11. Student violating the COVID protocols would be asked to leave / denied entry to the College premises.
12. Students are advised to remain on the campus till the end of the day's classes. They will not be permitted to leave the campus until the end of classes for the day.
13. Students are advised to carry their own tiffin boxes, as the Canteen facilities may not be available.

ALL THE ABOVE INSTRUCTIONS HAVE TO BE FOLLOWED STRICTLY.
