CIRCULAR

Sub: Introduction of Consolidated Scholarship Allowance for ICCR foreign scholars studying under ICCR Schemes.

Indian Council for Cultural Relations (ICCR) administers various scholarship schemes for foreign students studying in Indian Universities/institutes. The Council has taken several steps in the recent past to streamline the scholarship schemes administered by ICCR.

2. The ICCR Finance Committee, has decided to merge all the existing sub heads of scholarship payments (stipend, HRA/Hostel fee & Annual Contingent allowance (ACA)/thesis charges) as applicable, being currently given to ICCR scholars and provide instead a **consolidated** scholarship amount (stipend) encompassing their living, accommodation (whether living in hostel or outside) and Annual Contingent allowance /thesis charges (if applicable).

3. The scholarship amount being paid earlier and proposed to be paid henceforth (after merging all the sub heads) will be as under:-

4. ROs are requested to accordingly kindly inform suitably the Universities/Institutes falling under their jurisdiction, that ICCR would **not be** paying the Hostel fee in respect of the students from the next **Academic Year** onwards. Students will pay on their own directly from the consolidated amount being paid to them by ICCR (Universities/Institutes should therefore not insist/expect new joinees to immediately pay the hostel fees). However, tuition fee would continued to be paid by ICCR directly to the University/Institute (In case any student pays his Tuition Fee/OCF on his own to the institute, he may get the reimbursement of TF/OCF from the concerned RO)

5. The release of consolidated amount as per the para 3 above, will come in force w.e.f 1st July 2022 onwards.

6. This issues with the approval of the Competent Authority.
